WELCOME TO MITCHELTON

OUR HISTORY

The rich history of Mitchelton stretches back to 1836, when explorer Major Thomas Mitchell came across this place during a 900km journey from Sydney to Melbourne.

Over a century later in 1969, the entrepreneurial Ross Shelmerdine planted his first crop of vines, naming his new winery after the historic figure - Major Thomas Mitchell.

Conceived by Robin Boyd CBE, the design of the estate was completed by renowned Australian Architect Ted Ashton in 1974, featuring the signature tower.

Equally recognised were the wines that followed, with Riesling and Shiraz in particular being highly awarded on the world stage.

Following the Ryan family's purchase in 2011, new life has been brought into Mitchelton's rustic interiors, with Hecker Guthrie restoring the key original architectural structure of Robin Boyd through the introduction of sophisticated elements for a new generation.

Today, a hotel, day spa, restaurant, provedore, function spaces, art gallery and more have made Mitchelton a destination as famous as it's iconic tower and superb wines.
